

Job Title: Primary and Secondary Supply

Salary: Daily rate as per SNCT supply rate.

About the School

Falkland House School is expanding, and we now operate across two sites. Our older established provision in Falkland is an independent residential and day school for boys from primary to aged 18 years old. Our provision in Perth is focussed on co-education with a strong emphasis on throughcare provision into positive outcomes including college courses and employment. All our students have a range of neurodiversity and additional support needs; primarily Autistic Spectrum Disorder and can access a mainstream curriculum.

We are looking for a team of Supply / Bank staff who can support students in both of our provisions. Opportunities exist to cover staff absence and possibilities are also likely to occur for specialist teachers to deliver short term projects within their speciality. The nature of our provision requires strong and positive relationships and we are therefore looking to build a network of staff who will regularly return to work with us.

If you would like to discuss this further or would like to be added onto our supply list please contact Dr Jon Cluett – Head of Education on jon.cluett@falklandhouseschool.org prior to application.
