

JOB DESCRIPTION:	Class Teacher and Maths Lead
Reports To:	Assistant Headteacher
Location:	Red Kite School, Princes Risborough, HP27 0JW
Hours:	40 hours per week – Monday to Friday (term time)
Review and Amendment:	This job description will be reviewed annually and may be subject to modification and amendment following consultation between the Headteacher and the post holder.

If you really want to make your mark in a rapidly growing business that is committed to improving the lives of children and young people, we have the role for you!

About the School

Red Kite is a brand-new independent special educational needs school which will cater for up to 60 pupils with social and emotional health needs.

The school is based in the beautiful market town Princes Risborough in Buckinghamshire. This is an exciting opportunity for anybody who wants to be a part of the successful development of a brand new setting and make a difference to education of our pupils.

Acorn Education is the UK's leading independent provider of specialist education. As part of Outcomes First Group, we are leading our sector in setting and delivering new approaches that provide measurable outcomes for those in our care.

We are really proud to say that in 2024, Outcomes First Group were officially certified as a 'Great Place to Work' for the fifth year running.

About the Group

We are part of the Acorn Care and Education Group and can promise you plenty of challenges and a rich variety of opportunities to develop your career.

Acorn Care and Education provide education and care across schools and residential care homes nationally. Our vision is to build incredible futures by empowering vulnerable young people in the UK to be happy and to make their way in the world. Every day we improve the

lives of thousands of the young people, their families and communities through a relentless focus on caring and learning.

About the Role

The Headteacher is seeking to appoint an enthusiastic Head of Maths to join this thriving specialist SEMH School. Responsible to the Assistant Headteacher they will be responsible in the running of the department and ensure that the department and the school is successful in achieving its aims. You will be an enthusiastic, flexible and determined individual who shares our values and is looking to develop their career in this specialist area.

Who we are looking for

Ideally we are looking for a qualified Teacher of Maths with a few years' experience, however we will happily consider applications from NQT's who have the ambition and desire. Whilst experience within an SEMH/SEN specialist provision would be desirable we are happy to consider applications from those who are currently working in a mainstream or college setting. Subject specialism is essential for this post as is the knowledge of the current curriculum. Training and development will be provided for the successful candidate in line with the identified needs of the school, the skills of the individual and their prospective career progression.

Key Accountabilities:

- Plan and teach well structured, balanced, interesting and inspiring lessons
- Manage classes effectively, using approaches which are appropriate to pupils' needs in order to motivate them
- Manage behaviour effectively to ensure a good and safe working environment
- Know and understand how to assess the relevant subject and curriculum areas you teach, including statutory assessment requirements
- Manage and motivate member of staff within your department

Essential Criteria

- ✓ Teaching experience in Maths at KS3 and/or KS4 in a specialist or mainstream setting.
- ✓ A dedicated work ethic to ensure the needs of all pupils
- ✓ Is passionate about making learning effective and enjoyable
- ✓ Qualified in subject specialism
- ✓ DBS cleared and satisfactory references
- ✓ Ability to work on own initiative

Why work for us?

A few reasons we think it's a great place to work:

- ✓ Continuous professional development & training for a clear career path
- ✓ Pension
- ✓ Opportunity to enrich the lives of young people and make a positive difference
- ✓ Be part of a fantastic team who work hard together and support each other
- ✓ No two days are ever the same
- ✓ Free School Meals
- ✓ 4 day working week after a successful probation

This position is due to commence as soon as possible (subject to approved reference/DBS checks).

Applications are invited online through the Outcomes First Group website www.outcomesfirstgroup.co.uk If you have any further queries regarding how to apply please contact Headteacher Faye Causer at faye.causer@willowparkschool.co.uk.

Acorn Care and Education are committed to the safeguarding and promoting the welfare of children and young people. All successful applicants will be subject to fully Enhanced DBS. **Please complete the application form in full with no gaps of employment from the age of 16 years.**

Purpose of Job:

1. To secure high quality teaching, effective use of resources and improve standards of learning and achievement for all pupils in consultation with the Headteacher;
2. Improve the quality of pupils' learning in Maths;
3. Contribute to the development and innovation and / or implementation of Maths policy and procedure;
4. Have lead responsibility for Maths across the school and develop plans which identify clear targets and success criteria for its development and / or maintenance;
5. Teach a range of subjects as necessary to ensure the effective delivery of the school's curriculum. Work may sometimes be undertaken outside the main teaching area - this may include off site locations including college settings;
6. In consultation with the Assistant Headteacher undertake other identified areas of responsibility as necessary to ensure effective delivery of the school's curriculum;

7. To share the school's responsibility to support and promote the learning, personal development and well-being of all students.

General Responsibilities

In fulfilling the requirements of the post, the post holder will demonstrate essential professional characteristics, and in particular will:

- Safeguard and promote the welfare of children and young people;
- Work in accordance with professional practice, statutory and legal requirements and the policies of Willow Park School;
- Take on specific tasks related to the day-to-day administration and organisation of the school;
- Take responsibility for specific areas of work which will be reviewed annually then negotiated and agreed within the performance management cycle and school improvement process;
- Take on any additional responsibilities, which might from time to time be determined;
- Support all staff in achieving the priorities and targets of the school improvement plan and monitor the progress of those which relate to Maths;
- Ensure that parent/carers are well informed about the curriculum, targets, children's progress and attainment in Maths across the whole school.

Knowledge and Understanding

Have knowledge and understanding of:

- The school's vision, aims, priorities, targets, curriculum policies and action plans;
- Any statutory curriculum requirements and the requirements for assessment, recording and reporting of pupils attainment and progress;
- The characteristics of high quality teaching and the main strategies for improving and sustaining high standards of teaching, learning and achievement for all pupils;
- Management, including employment law, equal opportunities legislation, personnel, external relations, finance and change;
- The implications of the code of practice of special educational needs for teaching and learning.

Specific Roles and Responsibilities

Have knowledge and understanding of:

- To play a key role in the development of SEN provision within Willow Park School;
- To work with schools, parents, key agencies and the young people with SEN to ensure

Outcomes First Group

effective and successful inclusion of pupils including those with a diagnosis of ASC within Willow Park School;

- To support the development of teaching approaches, behaviour management, classroom strategies, resources and whole school policies for children with complex needs and diagnoses within the school.
- To initiate and model autism specific teaching strategies for Teachers/Teaching Assistants in conjunction with Willow Park School's therapy team, relating to individual pupils within the classroom and whole school;
- To enable access to learning and social opportunities for pupils with SEN through the delivery of teaching, support, families and the young person;
- To work with Key partners in Willow Park's therapy service (Speech and Language Service, Psychotherapy and Educational Psychology) in order to deliver and implement a multi-disciplinary approach to support individualised packages for young people with SEN;
- To support the SLT and therapy team in the continued successful development of supporting young people with complex diagnoses such as ASC / Attachment Disorder within the school environment.

Planning and Target Setting Expectations

- Set appropriate and achievable expectations and targets for pupils in relation to standards of pupil achievements and the quality of teaching;
- Work with the Assistant Headteacher and any another other staff to ensure that Individual Education Plans are used to set subject specific targets and match work well to pupil's needs;
- Establish with the involvement of relevant staff, short, medium and long term plans for the development and resourcing of all subjects taught, which:
 - contribute to whole school aims, policies and practices including those in relation to behaviour, discipline, bullying and racial harassment;
 - are based on a range of comparative information and evidence, including the attainment of pupils;
 - identify realistic and challenging targets for improvement;
 - are understood by all those involved in putting the plans into practice;
 - are clear about action to be taken, time skills and criteria for success.

Teaching and Managing Pupil Learning

Ensure:

- Curriculum coverage, continuity and progression in all subjects taught for all pupils, including those of high ability and those with special educational needs;
- Teachers are clear about the teaching of objectives in lessons, understand the sequence of teaching and learning in subjects taught, and communicate such information to pupils;
- Guidance is provided on the choice of appropriate teaching and learning methods to meet the needs and learning requirements of different pupils;

Outcomes First Group

- Classroom organisation is appropriate for the lesson content and teaching style in use, with well organised resources that promote and enhance learning;
- Provision of a stimulating learning environment, in which displays are relevant, well maintained and an aid to learning;
- Preparation of termly, weekly and daily plans in accordance with agreed school policy and NC content;
- Effective development of pupil's core literacy, numeracy and information technology skills;
- Effective development of pupils individual and collaborative study skills necessary for them to become increasingly independent when out of school;
- Support the Assistant Headteacher in determining, organising and implementing the curriculum in Maths, and its assessment; monitor and evaluate them in order to identify and act on areas for improvement;
- Support the Assistant Headteacher in establishing a learning environment that helps pupils develop learning skills in order to learn more effectively become successful learners for life;
- Be responsible for the teaching of a class, developing a stimulating and challenging learning environment which secures effective learning and provides high standards of achievement, behaviour and discipline;
- Take responsibility for the development and monitoring of the curriculum provision for Maths, liaising appropriately with the Assistant Headteacher, support staff and class teachers;
- Support the Assistant Headteacher in the monitoring of the quality of teaching and children's achievements across the key stage, including the analysis of performance data;
- Take responsibility for assessment in Maths, ensuring that statutory and school requirements are fulfilled;
- Collate assessment information, in conjunction with the Assistant Headteacher and monitor the school's performance in relation to local and national results and the school's own targets.

Assessment and Evaluation

- Analyse and interpret relevant national, local and school data, research and inspection evidence, to inform policies, practices, expectations, targets and teaching methods;
- Establish and implement clear policies and practices for assessing, recording and reporting of pupil achievement, and for using this information to recognise achievement and to assist pupils in setting targets for further improvement;
- Ensure that information about pupil's achievements in previous classes and schools is used effectively to secure good progress;
- Monitor the pupil progress made lessons, evaluate the effects on teaching and learning, and use this analysis to guide further improvement.

Outcomes
First Group

Pupil Achievement

- Establish clear targets for pupil achievement and evaluate progress in science and achievement by all pupils, including those with special educational and communication needs;
- Use data effectively to identify pupils who are underachieving and, where necessary, create and implement effective plans of action to support those pupils.

Relations with Parents/Carers and Wider Community

- Establish a partnership with parents/carers to involve them in their child's learning in science as well as providing information about curriculum, attainment, progress and targets;
- Develop effective links with the local community, including business and industry, in order to enhance teaching and develop the pupil's wider understanding;
- Communicate effectively, orally and in writing with parents, Acorn Directors, external agencies and the wider community including business and industry.

Managing own Performance and Development

- Prioritise and manage own time effectively, particularly in relation to balancing the demands made by teaching, subject management and involvement in school development.
- Achieve challenging professional goals;
- Take responsibility for your own professional development;
- Undertake Team Teach training as directed by the school.

General

- Take on specific tasks related to the day to day administration and organisation of the Maths Department as requested by the Assistant Headteacher;
- Take on any additional responsibilities within the school which might from time to time be determined;
- Create and maintain positive and supportive relationships with staff, parents and all other stakeholders;
- Engage with appropriate training opportunities to promote professional effectiveness in this role.

Managing Resources

- Establish resource needs and advise the Headteacher of likely priorities for expenditure, and allocate available resources with maximum efficiency to meet the objectives of the school and achieve value for money;
- Deploy, or advise the Assistant Headteacher on the deployment of support staff involved in the teaching of all subjects, to ensure the best use of subject, technical and other expertise;

Outcomes First Group

- Ensure the effective and efficient management and organisation of learning resources, including information and communications technology;
- Maintain existing resources and explore opportunities to develop or incorporate new resources from a wide range of sources inside and outside the school;
- Use accommodation to create an effective and stimulating environment for teaching and learning;
- Ensure that there is a safe working and learning environment in which risks are properly assessed.

The post holder will support the school by:

- Being aware of and complying with policies and procedures relating to safeguarding, child protection, health, safety and security, confidentiality and data protection, and reporting all concerns to an appropriate designated person;
- Being aware of and supporting difference and ensuring all pupils have equal access to opportunities to learn and develop;
- Contributing to the overall ethos/work/aims of the school;
- Appreciating and supporting the role of other professionals;
- Attending relevant meetings as required;
- Participating in training and other learning activities and performance management as required;
- Assisting with the supervision of pupils out of lesson times, including before and after school and at breaks / lunchtimes as required;
- Accompanying teaching staff and pupils on visits, trips and out of school activities as required.

Health and Well-Being

The post holder will:

- Be aware of the current legal requirements, national policies and guidance on the safeguarding and promotion of the well-being of children and young people;
- Know how to identify potential child abuse or neglect and follow safeguarding procedures;
- Know how to identify and support children and young people whose progress, development or well-being is affected by changes or difficulties in their personal circumstances, and when to refer them to colleagues for specialist support.

Team Working and Collaboration

The post holder will:

- Work as a team member and identify opportunities for working with colleagues and sharing the development of effective practice with them.

Other Duties and Responsibilities

Outcomes
First Group

A job description can never be fully descriptive and exhaustive of unforeseen changes or circumstances. It is expected that staff will, within reason, respond to unforeseen circumstances and emergencies as they arise, commensurate with their qualifications, experience and the situation.
