

Esports and ICT Teacher / Instructor

Location: Smallbrook School, Shropshire

Inspire Change Through Innovation and Relationships

Smallbrook School is a specialist independent provision supporting pupils with Social, Emotional and Mental Health (SEMH) needs. We are committed to delivering a trauma-informed, inclusive, and engaging curriculum that enables every pupil to succeed both academically and personally.

We are looking to appoint a passionate and forward-thinking Esports and ICT Teacher / Instructor who can use technology and gaming as powerful tools for engagement, helping pupils reconnect with learning and develop confidence, resilience, and key life skills.

About the Role

- Plan and deliver adapted ICT and Esports sessions linked to EHCP outcomes
- Develop pupils' digital literacy, teamwork, communication, and problem-solving skills
- Use Esports to improve engagement, attendance, and emotional regulation
- Contribute to a broad and balanced curriculum including vocational pathways
- Support pupils' personal development and future pathways

Who We Are Looking For

Essential:

- Experience working with young people in SEN or SEMH settings
- Interest in ICT, gaming, or digital learning
- Ability to build positive relationships
- Calm and resilient behaviour approach

Desirable:

- QTS/QTLS or willingness to work towards qualification
- Experience delivering ICT or vocational learning
- Understanding of trauma-informed practice
- Knowledge of Esports in education

Why Join Smallbrook School?

- Supportive and values-driven environment
- Strong focus on staff wellbeing and CPD

- Opportunities to innovate curriculum
- Collaborative leadership
- Chance to make a meaningful difference

Safeguarding Commitment

Smallbrook School is committed to safeguarding and promoting the welfare of children and young people. All applicants will be subject to enhanced DBS checks and safer recruitment procedures in line with KCSIE.
