JOB PURPOSE

To provide specialist teaching and support for children and young people with multi-sensory impairments, including deafblindness and complex communication needs, ensuring access to learning, independence, communication, social interaction and emotional wellbeing. The postholder will utilise their Mandatory Qualification in Sensory Impairment (MQSI) to assess, plan, deliver and evaluate highly individualised educational programmes in accordance with statutory requirements, school policies and best practice guidance.

KEY TASK AREAS & RESPONSIBILITIES

Teaching and Learning

- To plan, deliver and teach individual students or small groups, in accordance with the School's Curriculum framework and related policies
- To monitor, record and report on student progress
- To contribute to and help implement developments that relate to the School Development Plan
- To promote, in line with Company policies, the physical, educational and moral development of the students
- To contribute to the development and implementation of an environment and programme of learning for the individual student to ensure progression at an appropriate and satisfactory rate
- To take responsibility for coordinating the teaching, development, assessment, recording and reporting of subjects and areas of learning across key stages as agreed with the Headteacher
- To devise, implement and review individual education plans, individual behaviour plans and other relevant individual plans in conjunction with other staff

- To organise the classroom, its resources, student groupings and displays to provide a stimulating learning situation appropriate for students
- Adequately plan to ensure the safety of students, in line with risk assessments, while both on and off site
- To ensure Learning Support Assistants/Tutors/Instructors and care staff (where necessary) are well briefed and able to produce appropriate and effective resources/teaching aids
- Work with and manage challenging behaviour, enabling students to develop from needing external control, to developing self control
- To play a full part as a member of the School's multi-professional team, ensuring effective working relationships with colleagues
- To maintain regular communication both informally and in meeting times, ensuring the individual needs of the student are being met effectively.
- To ensure that the available equipment and resources are used, stored and maintained efficiently
- To make, use and keep records in accordance with Company policies and procedures and standards set by the Regulatory Body
- To keep up-to-date with specified subject area and educational practice
- To ensure that all relevant education policies and procedures are implemented in full
- Safeguard all students and ensure their safety and wellbeing
- Communicate effectively with care staff to ensure a consistent approach and to provide a daily link between School and Home
- Liaise with staff from other departments to provide a consistent approach to all aspects of student education and care
- Maintain regular communication and liaison both informally and in meeting times, ensuring a consistent approach to education and care of students
- To meet in full the Professional Standards for Teachers.

Specialist Sensory Support

- Use specialist knowledge gained through the MQSI qualification to assess and support pupils with complex sensory needs.
- Advise colleagues, families and other professionals on the educational implications of multi-sensory impairment.
- Develop and implement strategies to optimise the use of residual hearing, vision and other sensory channels.
- Support the assessment, provision and effective use of specialist equipment, assistive technology and environmental adaptations.
- Contribute to sensory access assessments and recommendations for classroom and wider school environments.
- Promote best practice in sensory impairment education throughout the school.

General

- Ensure awareness that the service operates to agreed budgets and contribute to keeping within these budgets as instructed
- Exercises vigilance in respect of Health and Safety and promptly report all hazards and/or remedying them where appropriate. Undertake all duties in a manner calculated to minimise or avoid unnecessary risks, personally or to others.
- Operates at all times in accordance with company policies and procedures, with particular reference to Safeguarding, Child Protection, Whistleblowing, Complaints and Representations and Behaviour Policies
- Report issues and/or incidents relating to staff and students that have arisen in the day promptly to the relevant Line Manager or appropriate person
- Participate in training and take responsibility for personal development
- Participate in team meetings, supervisions and annual reviews in accordance with Company policy and the standards set by the Regulatory Body
- Work to promote the centre as a valued, professional asset within its community and also to promote a culture that individuals and staff conduct themselves at all times in a manner that reinforces this image
- Ensure that all actions are in the interests of the students and the Company.
- To work to and exhibit the values of the Company and maintain standards of behaviour in accordance with Company policies, procedures and practices
- To carry out any other reasonable and relevant duties as required.

Note: Any subject specialism information must be authorised by the HR department and attached separately
